FROM THE PRESIDENT

Welcome to the 45th Season of the Hickory Choral Society!

On behalf of the Board of Directors and all the singers in the Hickory Choral Society, thank you for joining us as we continue our musical journey this season. We are blessed to have you, our audiences and contributors, without whom our success would not be possible. It is an amazing relationship that has grown and developed over the past 45 years, much like the group itself.

Our theme throughout the 45th season is “Love”...which is something we can all use a little more of in today’s chaotic and broken world. We begin the season with our Christmas concerts in December 2022, titled ***Love Shall Overcome***. That will be followed in March 2023 with our spring concert, ***By Love Restored***. This concert will include an exciting commemorative

performance of Dan Forrest’s *Requiem for the Living*, commissioned and premiered by HCS ten years ago. The piece will be performed in collaboration with Hickory Ballet and Performing Arts – a first for HCS! We will celebrate **45 Years of Love (Songs)** at our May pops concert in downtown Hickory, singing music from every decade of HCS history. Finally, our 45th season will conclude with our fall concert in October, **Love and Music Endure**, a tribute to all those who have been impacted by Alzheimer’s disease.

Coming out of an in depth and highly successful strategic planning process in 2021-22, the newly adopted mission statement of the Hickory Choral Society is as follows:

“Hickory Choral Society transforms lives through performance, support of music education, and the advancement of social harmony in the North Carolina Foothills and beyond.”

This mission can only be accomplished by nurturing the numerous relationships we have developed with our audiences, contributors, and other area arts organizations. We use a variety of approaches to do this each year, some of which include:

- A seasonal schedule of live performances, including other vocal and instrumental musicians
- The I.G. Hamlin and Paulette Lael Music Library, lending quality choral music to area schools and churches free of charge
- The J. Don Coleman Education Fund, providing financial grants to local school choral programs
- Commissioning and performing new choral works
- Engaging and educating children in choral music via our children’s Christmas concert (Cookies & Carols) and our annual Summer Choral Camp

Thank you for choosing to be part of this journey with us. If you are a returning contributor, we deeply appreciate your loyal support and attendance at our concerts. Through your gifts we have been able to provide the wonderful concerts and music education programs that the Hickory Choral Society has been known for throughout our 45 years. If you are new to the HCS experience, we invite you to become a partner with us, and look forward to becoming a regular part of your cultural arts activities for many years to come.

Sharon Foster Milligan

LaKeisha Lynette Ross Johnson

LaKeisha Ross Johnson was born in Rockingham, NC and raised from age 5 to adulthood in Maiden, NC. A daughter of a pastor, LaKeisha sang her first solo, at the age of 4 at her father's church in Ellerbe, NC. Ever since then she has found herself working and leading in the music ministry, helping to mellow the heart and win souls to Christ. At the age of 5, her father was appointed to a church in Lincolnton, NC. During his 15+ years there, LaKeisha developed self-taught talents in singing, drums, saxophone, and some keyboard skills. She directed the church choir at 14 years of age and wrote a gospel play.

In the summer of 2001, LaKeisha began her undergraduate studies at Lenoir-Rhyne University, a private, Lutheran, Liberal Arts college in Hickory, NC. She began as a music education major with a principle in woodwinds. She also studied voice. After participating in the musical, "1940's Radio Hour" as Geneva Brown, she began to have a desire to train her voice. LaKeisha switched her major to corporate communication and added a minor in music performance, which were the two degrees that she graduated with in May 2005. She is currently enrolled at Southern New Hampshire University seeking her Master of Communication degree.

LaKeisha who believes that music and ministry go hand in hand can always be heard saying, "I got my pastor's back" That relationship and true passion to win souls to Christ has been the contributing factor in her 26 years as a music minister. She currently serves as the Minister of Worship, Arts, and Music and is a member at Mt. Zion Baptist Church, Hickory, NC where James L. Reeves is pastor.

In her musical career, LaKeisha has performed with the Western Piedmont Symphony-Hickory, NC, placed 2nd in the Hefner-Williams Vocal Competition-Lincolnton, NC, performed leading roles in musicals such as Ragtime, 1940s Radio Hour, and Mid-Summer Night's Dream, created a soundtrack for Hickory Museum of Art's digital presentation called "Rhythm & Rights"-Hickory, NC and works with 3M productions in their gospel stage plays. She was chosen as a finalist to meet, audition, and get coaching from national gospel recording artist, Marvin Sapp. She currently plays in a band, Even-X-Change in which she provides lead vocals and instrumental with the alto saxophone. LaKeisha also runs her own entertainment and event planning group, Lady L Inc. LaKeisha served as Director of the Latin musical Evita, and The Color Purple at Hickory Community Theater. This was the first time in theater history with an all African American and female directorial team.

LaKeisha is married to Chris Johnson and they have 5 children, Shareika, Kristopher Xianna, Xzavier, LaTayvia, and Rhiley. At the recent passing of her sister, she has taken custody of her two youngest children, Lacyna and Jeremiah. In all of her accomplishments and compliments, LaKeisha answers with one thing, "To God Be the Glory!"

Artistic Director Dr. Ryan Luhrs

Dr. Ryan Luhrs is the Artistic Director and Conductor of the Hickory Choral Society and serves as Director of Choral Activities at Lenoir-Rhyne University.

At LR, he directs the A Cappella Choir -- the university's touring flagship choral ensemble -- and coordinates the Sacred Music Program, mentors choral music education students, directs the College Singers, and regularly teaches a protest music course in the university's core offerings.

Prior to his arrival in Hickory, Dr. Luhrs taught music at Andrew College, in Cuthbert, GA, and in public schools in Iowa and Minnesota. He has served as a church choir director and/or organist for congregations in Wisconsin, Minnesota, and Georgia and is currently Music Director and Organist at St. Andrew's Lutheran Church in Hickory, NC. He was also stage band director and tour director with the Kids from Wisconsin from 2005 to 2010 and sang with the Minneapolis-based National Lutheran Choir from 2008 to 2012.

A proponent of using singing in groups to break down social barriers, Dr. Luhrs has organized choral festivals in rural Minnesota; southwestern Georgia; Tallahassee, FL; and Hickory, NC. His doctoral dissertation entitled *Singing for Social Harmony: Choir Member Perceptions During Intergroup Contact* investigated how choral music functions in settings where people of diverse backgrounds are present. Related research was the basis for an article in the February 2017 *Choral Journal* and presentations at regional and national conferences of the American Choral Directors Association (ACDA) and Chorus America.

Dr. Luhrs holds degrees from Florida State University, Luther Seminary (with St. Olaf College), and Luther College. He resides in Hickory with his wife, Sarah, and their three young children.

Interim Associate Conductor Renee Shatley

"I actually have had three jobs since my retirement in 2017," so explains **Renee VanHorn Shatley**, whose busy life has been - and still is - centered around music. After many years of teaching high school choral music, many of her years spent at East Burke and Draughn High Schools, she has continued to use her considerable skill to train and inspire students of all ages.

Renee is the Music Director at First United Methodist Church in Hickory. She directs the Chancel Choir and the Chancel Handbells. She also oversees the music planning for the service music. Renee has been involved in the music program at FUMC since September 2007.

"I have had the pleasure of being an adjunct professor at Lenoir Rhyne University since August of 2017 when Dr. Dan Kiser contacted me and asked if I would be willing to assist the music department." During my time there, I have taught a variety of music classes and lessons, such as Applied Voice, Music Theory and Choral Methods.

Renee is also a clinician and has directed choral festivals in several surrounding counties. Renee has a Bachelors of Music Degree from Mars Hill College (now University) and a Masters of Science in Music Education from The University of Illinois. She is married to Drew Shatley and they have two grown sons: Zachery Shatley and Blair Shatley.

Accompanist Mary Texer

Mary Texer has been accompanying the Hickory Choral Society since 1984. Although most of the concert selections are performed with orchestra, she "brings the orchestra to the keyboard" during rehearsals. Her exceptional skills on the piano, harpsichord and organ bring her to the concerts as well, performing with the orchestra or as featured accompanist. A native of Grand Rapids, Michigan, she began her career as a pianist at age 6, studying at Interlochen. She received a Bachelor's Degree in English and Music from Albion College. She has taught privately and in the public school system as well as college level classes in theory and advanced piano. Mary started a piano program at St. Stephens Lutheran School, has accompanied the Catawba County Choristers, many choirs, recitalists and community theatre musicals. She is a member of the Hickory Rotary Club and a member of the Hickory Music Club. Her two sons, Toby and Tad, daughter-in-law Meaghan, and grandson Baylor all live in Hickory; granddaughter Sadie lives and works in Salt Lake City.

J. DON COLEMAN EDUCATION FUND MUSIC EDUCATION GRANTS

In 1984, the J. Don Coleman Education Fund was established to honor the Hickory Choral Society's founding director and help promote and expand choral music in Catawba County School systems. The program includes public schools in Burke, Caldwell and Alexander counties as well.

Each fall, music educators in the participating school systems are invited to apply for grants from this fund. Knowing that most public schools work with very limited funding for the arts, grant money is awarded for the purchase of music related to projects or performances for the current school year. This will then help schools build a library of music that can be used for years to come.

HCS is proud to acknowledge the following grant recipients for the 2022-23 school year:

School	Teacher	Principal
Burke County Elem Honors Chorus	Wendy Hardin	
Draughn High School	Ashley Sigmon	Jeanene Burris
East Burke Middle School	Kiki Neale	DJ Carswell
Gamewell Elementary	Mary Katherine Taylor	Cathy Barlow
Hickory High School	Jessica Cockroft	Rebecca Tuttle
Maiden High School	Cammie Driver	Brian McCree Hefner
Newton-Conover High School	Jason Myers	Joshua Weese
Startown Elementary School	Margy Butterfield	Jennifer Stodden
West Caldwell High School	Bethany Wolfe	Richard Griffin

OUR HISTORY

The Hickory Choral Society (HCS) is an all-volunteer auditioned choir of around 100 singers from multiple counties that offers a variety of annual performances for the Catawba Valley Region of Western North Carolina.

Founded in 1978 by J. Don Coleman, and under the current leadership of Artistic Director, Dr. Ryan Luhrs, HCS remains committed to choral excellence and collaborates frequently with members of the Western Piedmont Symphony.

Recent major work performances include Mendelssohn's *Elijah* and Dan Forrest's *Jubilate Deo*. In 2013, HCS commissioned Dan Forrest's *Requiem*, a work that has received international critical acclaim. The choir has performed in major US venues including Carnegie Hall in New York City, and has toured twice internationally, most recently in Austria and the Czech Republic.

Inspiring, Educating, and Connecting Through Song for the Next 45 Years!

Welcoming a new Artistic Director in Dr. Ryan Luhrs, bouncing back from a pandemic during which singing in front of a live audience didn't exist, and looking toward the beginning of a benchmark 45th anniversary year coalesced into a strategic planning process during 2021-22 to take the Hickory Choral Society into its next 45 years! One of the outcomes of that plan was our new vision statement: Inspiring, Educating, and Connecting Through Song.

Another output from that planning process was the development of four overarching pillars, to guide HCS as we move forward:

- **Artistic Vision:** Create music that transcends the ordinary as we explore innovative opportunities through the artistic lens of Dr. Ryan Luhrs
- **Grow and Diversify:** Secure the future of HCS as we explore chorus size and expand our diversity, explore venue options and collaborative performances, and reach broader and more diverse audiences
- **Infrastructure:** Enable the work as we explore governance structures that position us for efficiency, integrity, and strength
- **Increase Revenue:** Achieve our mission and vision as we explore increasing endowments, diversifying and coordinating revenue streams, and maximizing special events

What does this mean for our supporters and singers?

As we utilize these four pillars to enable our updated mission, which is that the **Hickory Choral Society transforms lives through performance, support of music education and the advancement of social harmony in the North Carolina Foothills and beyond**, we hope you will hear music you know and love...but also some new music that leaves you forever changed. We hope music educators in our community will access the many resources we make available, to engage their students in new ways that stretch and enliven in a world that is ever-changing but can be brought together through song. Our biggest hope? As Dr. Luhrs puts it, "Let's get everyone singing!"

We look forward to singing with you for another 45 years!
